What is a School-Parent Compact?

All Title I schools must develop a compact. The purpose of this compact is to outline how parents, the school staff, and students will share the responsibility for improved student academic achievement.

Jointly Developed

This compact was jointly developed. All parents were invited, by multiple ways of communication, to a meeting to review and provide input on the 2020-2021 Compact. Teachers, Administrators and Title I Instructional Coaches worked together to create classroom goals.
